Greenbrier County Health Alliance
Center for Rural and Community Health
West Virginia School of Osteopathic Medicine
Mail: 400 Lee Street N Lewisburg, WV 24901
Email: jlevine@osteo.wvsom.edu

Education/Training

- MSW, Virginia Commonwealth University, Richmond, Virginia, Master of Social Work with a concentration in Clinical Social Work
- BS, Shepherd University, Shepherdstown, West Virginia, Bachelor of Science in Political Science with a focus on Quantitative Research Methods

Research and Practice Interests

Julian is interested in practical applications of public health and social determinants of health research and how to translate research to reduce health disparities, especially for rural and underserved communities. Julian has a range of experience in project management, program evaluation and development, research analysis and methods, academic writing, and evidence-based policy and practice. He has worked in the diverse settings of free-and-charitable healthcare, academia, social services, disaster response, and community development.
